RE: West and South West Ring Road Impacts & Funding

COUNCILLORS RICHARD POOTMANS, DIANE COLLEY-
URQUHART, BRIAN PINCOTT

WHEREAS the ring road is a strategic piece of infrastructure and The City of Calgary welcomes the investment in our city;

AND WHEREAS the Province has recently committed to pay for several major infrastructure projects related to the ring road that would otherwise have been paid for by The City;

AND WHEREAS there are broad implications to traffic patterns beyond the boundary of the Provincial transportation and utility corridor;

AND WHEREAS to ensure that the ring road is successful in the eyes of Calgarians, there is a need to mitigate further anticipated impacts to adjacent or connected communities;

NOW THEREFORE BE IT RESOLVED that Administration review the impacts and implications of the new ring road sections, evaluate solutions to mitigate impacts and approach the Province to discuss these solutions including options to fund improvements as part of the ring road program;

AND FURTHER BE IT RESOLVED that Administration report back to Council no later than the end of Q4 2014 with an update on the ring road program.
