Emailed Bowness Community Association - emailed and spoke with members and attended community meeting.

Mailed City Councilor of Ward 1 - Sonya Sharp. Spoke with representative from her office.

Letter dropped to 8 neighbouring properties, houses on either side and across the street from the subject property. Spoke with one neighbour who had lived in her home for 50 years and gave me a history of the subject building as best she knew.

### **Stakeholders**

Who did you connect with in your outreach program? List all stakeholder groups you connected with. (Please do not include individual names)

## Community Outreach for Planning & Development Applicant-led Outreach Summary

### What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

Neighbour happy as long as there are no plans to construct any large building. (I assured her no construction is planned)

### How did stakeholder input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

Initially the feedback from city planners was R - CG would be required, but the Bowness Community Association board members asked why not just R - C2. After consulting with city planners, I changed the application to R - C2.

### How did you close the loop with stakeholders?

Provide a summary of how you shared outreach outcomes and final project decisions with the stakeholders that participated in your outreach. (Please include any reports or supplementary materials as attachments)

I attended the Bowness Community Association Board meeting and let them know of this change to R - C2 at the meeting.
