**NOTICE OF MOTION**

CC 661 (R2009-05)

NM2014 April 10

RE: Addition of Shaganappi Trail to the Truck Route Network

COUNCILLOR JOE MAGLIOCCA

WHEREAS currently the Truck Route Bylaw (60M90) does not identify Shaganappi Trail north of Stoney Trail as a component of the truck route network;

AND WHEREAS the original area development plan identified Shaganappi Trail as a future truck route;

AND WHEREAS the intersection of Shaganappi Trail and Stoney Trail was designed and constructed to effectively accommodate truck traffic;

AND WHEREAS Shaganappi Trail, south of Stoney Trail, is part of the existing truck route network;

AND WHEREAS; there is a large volume of commercial and aggregate-related truck traffic in the north-west congesting routes such as 85 ST NW and Symons Valley Road, both of which would benefit from the reduced concentration of trucks a third artery could provide;

NOW THEREFORE BE IT RESOLVED that Council direct Administration to investigate the benefits of adding Shaganappi Trail, north of Stoney Trail, to the network of truck routes listed in the Truck Route Bylaw (60M90);

Signature of Member(s) of Council
