# Future of Municipal Government

Collaboration is a central element of municipal government, and can be strengthened by:

-  Clarifying and strengthening legislation
-  Increasing financial support (including for Growth Management Boards)
-  Providing training and share best practices
-  Fostering a culture of collaboration

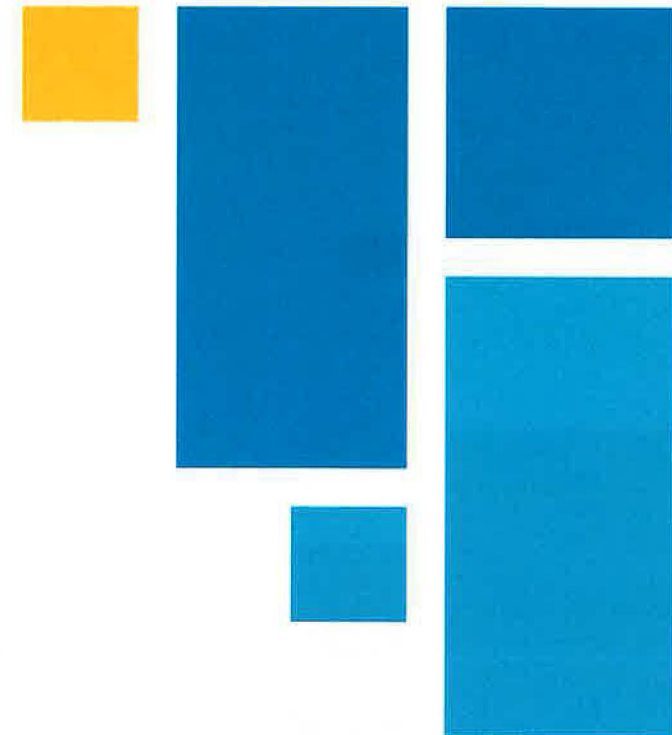

# Climate Adaptation, Flood & Drought Mitigation

- Future of Municipal Government project: Climate Risk Assessment and Adaptation research paper
- Extreme and changing weather poses three major risks to municipalities: water, infrastructure, and governance capacity.
- Extreme events, like floods and droughts, causes unpredictable infrastructure performance

# Clean Energy Improvement Program (CEIP)

- ABmunis is the official administrator of CEIP
- City of Calgary's CEIP program launched in February
- 23 Alberta Municipalities are at various stages of launching a CEIP program

# Benefits of Collaboration
