

## Reductions per 2014 Budget Adjustment Deliberations

In the 2014 Budget Adjustment Deliberations, Council amended the proposed tax increase to 5% by a reduction in all departments except for the Calgary Police Service. It resulted in base net budget reductions of \$9.3 million. Each department was allocated a portion of this amount based on its portion of the net budget.

The table below provides a comprehensive summary of the reductions and the strategies/actions taken with their associated impacts.

COMMUNITY SERVICES AND PROTECTIVE SERVICES				
Business Unit	Amount (\$000s)	Strategies/Actions	Impacts	Proposed FTE Reduction
Animal & Bylaw Services	\$ 129	<ul style="list-style-type: none"> <li>ABS is in the process of completing both their fleet review and their licensing review.</li> <li>This will result in vehicle lease and maintenance reductions and administrative reductions.</li> <li>The remainder will be taken out of consulting.</li> </ul>	<ul style="list-style-type: none"> <li>The vehicle lease reduction should not compromise ABS' ability to respond to citizen queries or frontline service.</li> <li>The administrative savings from the licensing review were to be redistributed to assist with frontline recruitment/training.</li> <li>The reduction in consulting would impact timing of projects.</li> </ul>	
Community & Neighbourhood Services	\$ 250	<ul style="list-style-type: none"> <li>Priorities will be set for subsidized neighbourhood based recreation programs such as Park n' Play based on the highest needs areas.</li> <li>Additional reductions to general expenses such as printing and conferences within the business unit.</li> </ul>	<ul style="list-style-type: none"> <li>Reduction in subsidized neighbourhood-based recreation programming for Calgary children.</li> <li>Service impacts include several Park n' Play and Stay n' Play sites in 2014 offering programming such as summer activities, crafts, and other healthy learning programs.</li> <li>CNS will prioritize program delivery in low-income communities and communities of focus that align with the CNS strategic plan.</li> <li>CNS will also pilot a "co-sponsored costing model" with interested community partners to deliver neighbourhood-based summer day camp experiences.</li> <li>A reduction in general expenses will have impact on CNS's printing materials for both public and the corporation.</li> <li>Further reduction in learning and development for CNS staff will have direct impact on learning and growth development, continuous improvement, succession planning and staff morale.</li> </ul>	

## Reductions per 2014 Budget Adjustment Deliberations

COMMUNITY SERVICES AND PROTECTIVE SERVICES					Impacts	Proposed FTE Reduction
Business Unit	Amount (\$'000s)	Strategies/Actions				
<b>Fire</b>	\$ 1,581	<ul style="list-style-type: none"> <li>The CFD will manage the reductions through frontline firefighter cuts (4 FTEs), modifying the availability of the Dive program to focus on spring/summer only and shifting training to increasingly more e-learning.</li> <li>Further reductions will be accomplished through continuous improvements in administration, fleet and operations. CFD's operating budget capacity will continue to be depleted.</li> </ul>	<ul style="list-style-type: none"> <li>Frontline service including emergency response times will be impacted due to FTE reductions.</li> <li>Dive services will move to a seasonal focus and this could impact the ability to respond; Lack of resources could impact ability to generate sponsorship funds to support community safety programming (cholesterol); Reductions in operating budget will influence how CFD trains its staff which may impact future quality of service and impact administrative support to frontline services.</li> </ul>			4.0
<b>Parks</b>	\$ 653	<ul style="list-style-type: none"> <li>Mitigate impact through contracting services, fleet, irrigation and other administrative efficiencies.</li> </ul>	<ul style="list-style-type: none"> <li>Limited external impact on citizens. Minor adjustments of timelines may be necessary.</li> </ul>			
<b>Public Safety Communications</b>	\$ 200	<ul style="list-style-type: none"> <li>Reduction of various expenses such as consulting, maintenance, training, and equipment purchases.</li> </ul>	<ul style="list-style-type: none"> <li>The reduction should not compromise PSC's ability to provide frontline service. The reduction will impact PSC's ability to keep pace with new initiatives.</li> </ul>			
<b>Recreation</b>	\$ 349	<ul style="list-style-type: none"> <li>Reduction in materials; contract services; consultants; professional fees; program, office and misc supplies; funding to community partners; and information services.</li> </ul>	<ul style="list-style-type: none"> <li>Every effort was made to reduce the impact on direct services delivery to Calgarians however the following impacts are expected.</li> <li>Strategic planning initiatives including the development of a Culture Plan will be delayed; cleaning and maintenance repair contracts will be reduced; some repairs will be delayed and improvement projects deferred; and, program supplies to Calgary AfterSchool will be reduced. Community partners have indicated that impact on services provided to Calgarians will be minimal.</li> </ul>

Law	\$ 114	<ul style="list-style-type: none"> <li>Law will reduce amounts spent across Contract &amp; General Services accounts to meet the required reduction targets.</li> </ul>	<ul style="list-style-type: none"> <li>Reduced independent building evaluations for insurance purposes may lead to a discrepancy in values in the event of an insurance claim. Reductions in training, professional memberships and business expenses will reduce staff development opportunities which is critical for retaining staff and succession planning.</li> </ul>	<ul style="list-style-type: none"> <li>No FTE Impact.</li> </ul>	
<b>Total City Administration</b>	<b>\$ 553</b>				<b>0.0</b>

## Reductions per 2014 Budget Adjustment Deliberations

Business Unit	Amount (\$000s)	Strategies/Actions	CIVIC PARTNERS & COUNCIL		Proposed FTE Reduction
				Impacts	
Civic Partners	\$ 610	• Civic Partners who experience budget shortfalls at the end of the fiscal year may be required to access their reserves to cover any deficits.		• For those Civic Partners almost fully funded by The City the impact of the reduction will be more significant than those partially funded who may have other revenue streams to rely on. Civic Partners who experience budget shortfalls at the end of the fiscal year may be required to reduce services and/or access their reserves to cover any deficits.	
Council – all programs	\$ 94	• Reduction of various expenses such as communications, consulting, contracted services & administrative expenses.		• The reduction should not unduly affect Council's ability to provide frontline services.	
<b>TOTAL CITY</b>	<b>\$ 9,300</b>				<b>18.0</b>

[i] Self-supporting business units (i.e. Fleet, Transportation Infrastructure and Utilities) were not included in the reductions. However, these business units still undertook actions to improve efficiency and their reductions are also reported in these tables. Total self-supported expenditure reductions equal \$3.6 million.
