<b>Total</b>		<b>20,583</b>		<b>\$1,056,517.79</b>			<b>\$1,098,236.66</b>

<sup>1</sup> - McKenzie Lake special tax levy is for snow clearing on pathways only. Previously, the community tax levy generated a significant positive surplus due to the unseasonably warm winters and lack of snow clearing required. Surplus funds have been the primary source to pay the snow clearing until this past year. Subsequently, the surplus is nearly gone, and McKenzie Lake decided to return to the levy amount originally set in 2006.
