RE: SE TRANSITWAY TRANSIT ORIENTED DEVELOPMENT COMMUNITY  
VISIONING AND ADDITION TO THE SE TRANSITWAY PRE-DESIGN  
WORKPLAN

COUNCILLORS CARRA AND KEATING

WHEREAS the funding and workplan for Preliminary Engineering (Pre-Design) is in place for the Southeast Transitway from the 4 ST SW to Douglas Glen;

AND WHEREAS Council has made the Green Line the top transportation priority for the future funding under the new Building Canada Fund;

AND WHEREAS Council has directed the Green Line to be integrated heavily with Transit Oriented Development (TOD) and as part of the Green Line program has approved initial construction of a bus-based transitway and the recommended ultimate service option of a low-floor LRT which now provides for more opportunity for urban integration;

AND WHEREAS Council has dedicated \$2 Million in GreenTRIP funding to determine TOD opportunities and undertake TOD planning along the Southeast leg of the line during Pre-Design;

AND WHEREAS Council has approved functional plans for the alignment and station locations for the Southeast LRT line and TOD planning may inform required amendments to the alignment and station locations;

NOW THEREFORE BE IT RESOLVED that Council direct Administration to hire a consultant to work collaboratively with Administration on TOD scoping and planning in conjunction with the Pre-Design and other applicable processes and also undertake community-based visioning with the impacted neighbourhoods and stakeholders.

AND FURTHER BE IT RESOLVED that Administration report back to the Standing Policy Committee on Transportation and Transit no later than October 2015 with the associated functional plan amendments regarding alignment and station location modifications including additions and report back to the Standing Policy Committee on Planning and Urban Development with TOD area plans and the associated policy amendments and/or replacements.
