CITY CLERK'S DEPARTMENT

FEDERATION OF
CALGARY COMMUNITIES

Key Objectives for 2023-2026

Objective 1: Strong Communities

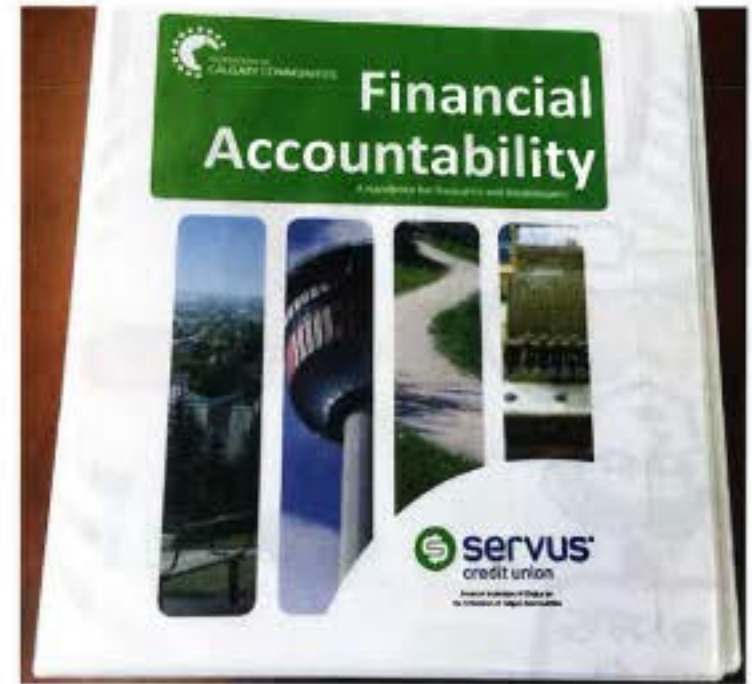

Federation launch of little libraries thanks to a Brentwood volunteer who started this across Calgary – RIP Cheri Macaulay

Objective 2: Strengthened Relationships

Federation launch of ActivateYYC to get Calgarians walk, playing and being neighbourly.

Objective 3: Resilience through Financial Fitness

One of more than 350 original resources developed for our network.

Results we plan to achieve

Board members have increased knowledge and confidence to support their organizations

Increased connections to other volunteers sharing knowledge and resources

Increased trust between partners

Increased financial literacy

Increased ability to make decisions based on financial information

City of Calgary has professional audited statements to properly assess any financial risk within community based assets at an affordable cost to community partners
