

Calgary

2023-2026 Service Plans and Budgets

Restoring balance between wildlife and human life, together.

A Community Anchor and Tourism Driver

Trusted place for
Calgarians to enjoy
together &
experience nature
since 1929, 364
days a year

Many varied animal
species, in- and
outdoor habitats plus
the Dorothy Harvie
Botanical Gardens

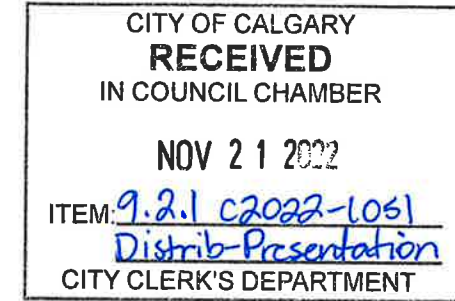

Current 2022
projection is 1.3
million visits; pre-
COVID average
1.35 million visits
per year

Draws tourists to
stop in Calgary
before or after
visiting the Rockies

Annual economic
impact estimated at
over \$100 million

Key Objectives for 2023-2026

Objective 1

Ensure Financial, Lifecycle, and Environmental Sustainability

Objective 2

Renew Accreditation with Association of Zoos and Aquariums and Host Global AZA Convention

Objective 3

Design and Fund Transformational Centennial Project

We take and inspire action to sustain wildlife and wild places!
