# Fragmented City, Fragmented Lives

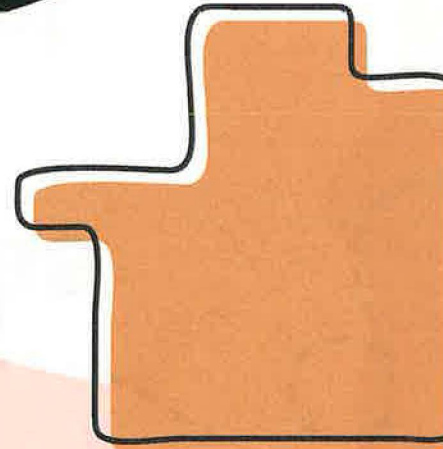

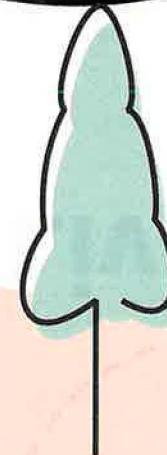

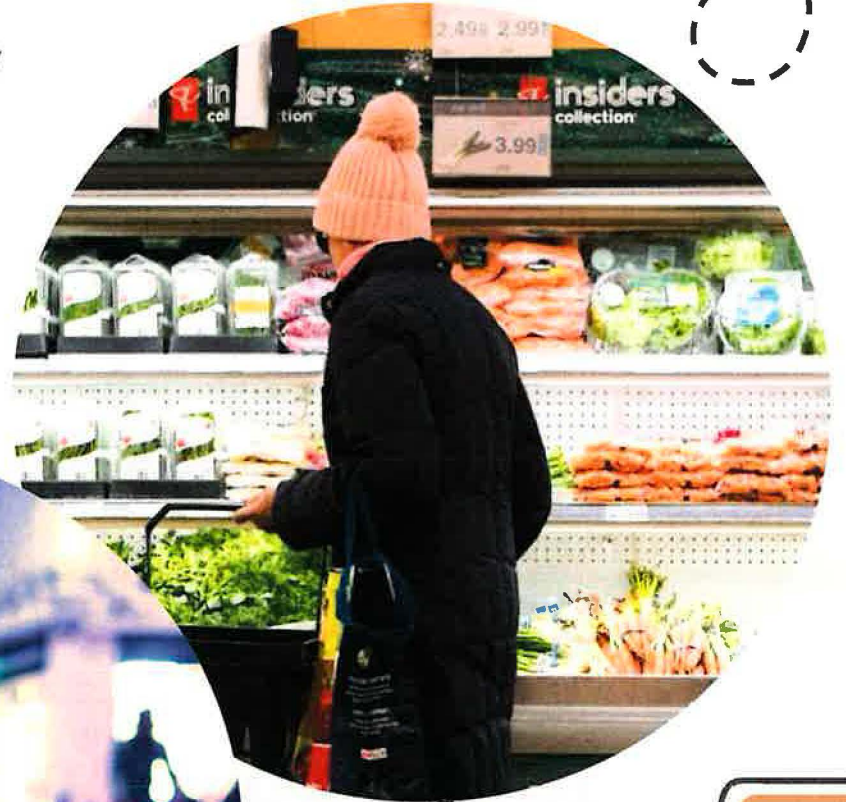

**Spatial disconnect**  
**Social isolation**

# Sprawl disproportionately affects women

- Endless errands in a disjointed city
- Housing insecurity
- Health implications

# New subdivisions bring

- Environmental degradation
- Masterplanning with 2010s, not 2070s principles in mind
- Tax generation without sustainable economic growth

# Action: Embrace Sensible Growth

Allocate budget funds to the Established Area to support
