

## Riverbend Community Association

March 26, 2014

Dear City of Calgary:

**RE: Notice of Motion – 2014-14**

---

The Riverbend Community Association supports Notice of Motion 2014-14 as proposed by Cllrs. Carra and Keating.

We feel that the SE Transitway will have a major impact on our community. This transitway will help reduce the traffic on 18<sup>th</sup> Street, provide better alternatives for residents to travel to work, and help us with the increase in traffic/people in the area with the development of Quarry Park.

The Riverbend Community Association is looking forward to the coming of the SE LRT and would like to be ahead of the potential TOD development by engaging in community visioning. We are interested in providing input regarding station location and track re-alignment and we welcome the chance to speak with a consultant about TOD potential in our neighbourhood.

Please contact Rose Martin, President at 403-608-1355 (cell) or Douglas Ratke, Treasurer and Chairperson, Riverbend Community Development and Review Committee at 403-514-4892 (work) or 403-547-2997 (home) for additional information as needed.

Thank you for your time and attention to this matter.

Sincerely,

Rose Martin  
President
