Notes:

¹ Fee to be charged to residents in Residential Parking Permit (RPP) Required Zones - maximum of three permits per household and two visitor permits

² This RPP Permit will consist of 1 permit (choice between residential and visitor) permit. Mainly meant for residents in medium-sized multi-residential buildings. The permit will be valid for one year at a time where users will have to re-apply annually. Costs of the permit will be charged up front.

³ The Market Permit will act as a last resort option for residents of large multi-residential buildings and functions similarly to an RPP type 2 permit but will not include a visitor permit. Permit costs will be billed on a monthly basis and users can cancel at the end of any month. Rates will also be dependent on location.
