

Applicant Outreach Summary

Community Outreach on Planning & Development Applicant-led Outreach Summary

Please complete this form and include with your application submission.

Project name: Centre 58

Did you conduct community outreach on your application? ☐ YES or ☒ NO

If no, please provide your rationale for why you did not conduct outreach.

The adjacent landowner to the north is purchasing the property after subdivision and land use redesignation are complete. Additional community outreach was not conducted as the subdivision and land use redesignation are minor in nature as the proposed new land use will be consistent with an existing adjacent land use.

Outreach Strategy

Provide an overview of your outreach strategy, summary of tactics and techniques you undertook (Include dates, locations, # of participants and any other relevant details)

Multiple discussions with landowner to the north have occurred in 2022 and 2023.

Stakeholders

Who did you connect with in your outreach program? List all stakeholder groups you connected with. (Please do not include individual names)

Landowner to the north has been engaged regularly throughout the project. Preliminary discussions were initiated at the project onset and have been ongoing.

Community Outreach for Planning & Development Applicant-led Outreach Summary

What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

There have been no issues identified as the landowner to the north is collaborating on this project.

How did stakeholder input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

Not Applicable.

How did you close the loop with stakeholders?

Provide a summary of how you shared outreach outcomes and final project decisions with the stakeholders that participated in your outreach. (Please include any reports or supplementary materials as attachments)

The owner to the north provided input on the subdivision and land use redesignation applications. As they intend to purchase their newly created parcel, their input has been incorporated into both applications.
