Outreach Strategy

Provide an overview of your outreach strategy, summary of tactics and techniques you undertook (Include dates, locations, # of participants and any other relevant details)

Our strategy involved one-on-one interactions with neighbours. Since the site is fairly isolated and RioCan owns the land north of 17 Avenue, we focused on landowners to our east.

Stakeholders

Who did you connect with in your outreach program? List all stakeholder groups you connected with. (Please do not include individual names)

East Hills Crossing is actively developing to the project's east. We connected with the developer to discuss opportunities to compliment their development as well as observations on the market and local context.
