Commissioner Hawryluk	<p>Reasons for Approval</p> <ul style="list-style-type: none">• The current Direct Control District (from 1999) is based on I-4 Limited-Serviced Industrial District from the 1980 Land Use Bylaw (Bylaw 2P80) and added the Discretionary Use of 'Outdoor Auction.' The proposed Land Use District (I-G) would allow light and medium industrial uses. Surrounding uses are also I-G. This application aligns with the City's 2021 Industrial Action Plan's objective of "improving the flexibility of the City's land use policies and regulations".
