I am the landowner next door to the proposed land redesignation. My address is 1812 Westmount Rd NW T2N3M5. My strong objection concerns the footprint of the proposed buildings. The buildings will be nearly all the way to the existing sidewalk on Westmount Rd which means that they will not be set back to match all other houses on the north side of Westmount Rd. This will not be aesthetically pleasing and will likely negatively affect my property value. Why should these buildings not line up to come close to matching the other buildings along the road?
