RE: Response to Administrative Inquiry – City of Calgary Email Subscriptions

This memo responds to Councillor Demong's Administrative Inquiry submitted at the March 14, 2023 Regular Meeting of Council:

The City of Calgary offers individual email updates/newsletter subscriptions for several different topics. Please provide a current listing of all email subscriptions available through the City of Calgary, and the associated web addresses where they can be found.

On behalf of Administration, the attached table provides a listing of current public newsletters and project updates as of April 25, 2023. As new projects start, and others wrap up, this listing will become outdated.

If you have any specific questions regarding a newsletter listing, please reach out the identified department and/or business unit. Newsletter content is generated, coordinated and owned by the responsible department and/or business unit.

Sincerely,

Chris Arthurs
General Manager
People, Innovation & Collaboration Services
