Community Outreach for Planning & Development Applicant-led Outreach Summary

What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

We received an unsupportive message from the community association which we have responded to, and so far we have received 2 messages from community members, which also received tailored responses. The main concerns raised were:

- Preservation of trees and green space
- Ensuring the exterior suits the community, streetscape, and heritage guidelines
- Parking
- Privacy & Shadowing

We have not received comments from the councilor's office.

How did stakeholder input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

At this point in the application, feedback from stakeholders has not impacted our intentions, but we are aware of the concerns that have been raised. As this application progresses, we will continue to work with stakeholders.

How did you close the loop with stakeholders?

Provide a summary of how you shared outreach outcomes and final project decisions with the stakeholders that participated in your outreach. (Please include any reports or supplementary materials as attachments)

All community members who reached out received a tailored response to address their individual concerns.
