NOTICE OF MOTION
CC 661 (R2009-05)

RE: SNOW CLEARING IN RESIDENTIAL AREAS

COUNCILLOR SHANE KEATING, COUNCILLOR JOE MAGLIOCCA

WHEREAS snow fall, snow accumulation and snow conditions are very unpredictable because of the weather patterns and Chinooks

AND WHEREAS snow accumulation on residential roadways can impact the safety and economic well being of the citizens of Calgary

AND WHEREAS City forces remain capable of completing the 7 day program which includes ploughing residential roadways during a typical winter

AND WHEREAS Maintenance does engage contractors to assist with snow removal during non typical winter conditions

NOW THEREFORE BE IT RESOLVED that Council direct Administration to develop details of contract packages which allows a contractor to clear snow up to four (4) times per year from all the residential roadways in Calgary at the direction of Maintenance.

AND FURTHER BE IT RESOLVED that the contracts be developed for each of the five (5) Maintenance Districts and that one contractor can only be successful on a maximum of two (2) of these contracts

AND FURTHER BE IT RESOLVED that a spring, summer and fall component be added that will assist in providing year round employment for contracted staff

AND FURTHER BE IT RESOLVED that Administration bring this report on the proposed contract packages to SPC of Transportation and Transit by 2014 July, to allow inclusion in the 2015-2018 Business Plan and Budget Debate.
