## Community Outreach for Planning & Development Applicant-led Outreach Summary

### What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

- The building will attract more homeless to the area.
- the building will be a potential eyesore.
- response sent to Renaissance Management Corporation questions and concerns.

### How did stakeholder input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

- Fencing around the building will be installed to prevent unauthorized access to area surrounding the building.
- HardiePlank siding is proposed to be used to ensure the scrubber building has similar materials to residential homes.

### How did you close the loop with stakeholders?

Provide a summary of how you shared outreach outcomes and final project decisions with the stakeholders that participated in your outreach. (Please include any reports or supplementary materials as attachments)

Response submitted to Renaissance Management Corporation questions and concerns.
