

Letter from Calgary Heritage Authority

February 20, 2014

Mayor Nenshi and Members of City of Calgary Council

Re: McHugh House – 110 18 Ave SW

The Calgary Heritage Authority (CHA) supports the initiative to preserve the McHugh House. The McHugh House is listed on the City of Calgary Inventory of Evaluated Heritage Resources. Its inclusion on the Inventory formally acknowledges the significant heritage value of the house to Calgarians.

We commend Council for their proactive efforts to preserve this important landmark.

The City Centre Plan and the Calgary Heritage Strategy encourage creativity in order to create a uniquely livable city: *“Creativity must be fostered and supported in order to excel and achieve great things.”*

We thank you all for seeking a creative solution to this challenge.

We look forward to working collaboratively with all concerned to reach a compromise that balances heritage interests with development opportunities for this important heritage asset.

Yours truly,

Scott M. Jolliffe
Chair
