Alderman Mar and Council,

The position and commitment of the Cliff bungalow-Mission Community Association on this matter has been made clear to Mr Davis and his client and yourself throughout this already lengthy process, and is stated clearly in submissions to the Authority, the Calgary Planning Commission and Council. We see no benefit for anyone in further delay and look forward to the Public Hearing tomorrow.

CBMCA would welcome the opportunity to meet again with Mr. Davis's client for discussions involving this site within the existing land use and parameters of the Area Redevelopment Plan and the Municipal Development Plan at any time after the Public Hearing.

Sincerely,

Rick Williams

Director Development and Planning

Alderman Mar:

(cc to the Cliff Bungalow – Mission Community Association in care of Rick Williams; Ian Cope; City Council)

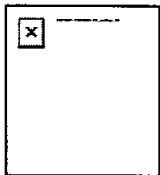

My client (Rob Prodanovic) has instructed me to ask that this matter be tabled to not later than the February 2014 public hearing on land use matters. The tabling is to allow further discussions with the Ward Alderman and the community.

I will be at Council on Monday to speak to this request, should that be necessary.

Sincerely,

Chris
