Dear Sir/Madam

I resided at 110 18 Street NW. I am concerned about increasing the density of residences on Kensington Road as it will result in increased traffic in the back lane. This is a particular issue for our residence as our house runs parallel along the alley which is unpaved. The increase in dust generated by this traffic will preclude our ability to have our windows open in the summer. The majority open onto the alley as the south side of our home is the common wall of a duplex. I would only support the rezoning **if** paving the alley is an enforceable requirement.

Thank you

Randall McGinnis
