RECOMMENDATION OF THE CALGARY PLANNING COMMISSION, 2023 APRIL 20:

That Council give three readings to **Proposed Bylaw 77D2023** for the redesignation of 0.10 hectares \pm (0.25 acres \pm) located at 5 and 9 Panamount Crescent NW (Plan 0110609, Block 2, Lots 1 and 2) from Residential – One Dwelling (R-1) District to Direct Control (DC) District to accommodate Child Care Service, with guidelines (Attachment 2).

HIGHLIGHTS

- This application seeks to redesignate the subject properties to allow for Child Care Service, in addition to the building types already listed in the district (e.g. single detached dwellings and secondary suites).
- The proposal allows for development that can be compatible with the character of the existing neighbourhood and is in keeping with the applicable policies of the *Municipal Development Plan* (MDP).
- What does this mean to Calgarians? The proposed land use would allow for an additional use that is an essential service and community amenity.
- Why does this matter? It will provide for more convenient child care options for nearby residents.
- No development permit has been submitted at this time.
- There is no previous Council direction on this site.

DISCUSSION

This land use amendment was submitted on 2023 January 4 by the landowner, Bing Liu. No development permit has been submitted at this time; however, as noted in the Applicant Submission (Attachment 3), their intent is to apply for a development permit for Child Care Service in the future.

The 0.10 hectare (0.25 acres) site consists of two parcels located on the corner of Panamount Crescent NW and Panamount Drive NW as well as the corner of Panamount Drive NW and Panamount Gate NW. Each parcel is currently developed with a single detached dwelling with an attached garage accessed from Panamount Crescent NW. The proposed DC District would allow for a Child Care Service within the existing buildings. Alternatively, the parcels may still be used for residential uses if the Child Care Service use is not pursued or closes in the future.

No development permit application for Child Care Service has been submitted at this time.
