<b>Commissioner Tiedemann</b>	Reasons for Approval <ul style="list-style-type: none"><li>• Basic application to redesignate a parcel from I-C to I-G. This site is surrounded by I-G uses and likely never should have been rezoned from I-G. This application is being managed by REDS and will help to further bolster the existing transportation and logistics node in the area.</li></ul>
<b>Commissioner Hawryluk</b>	Reasons for Approval <ul style="list-style-type: none"><li>• This is a straightforward application from Industrial – Commercial to Industrial – General, which is consistent with the surrounding Land Use Districts and supports Calgary’s role as an inland port.</li></ul>
