My wife and I have been in contact with Amanda Polini throughout this process, and we are in favour of the proposed application. Our primary remaining concern is to ensure that the row of trees to be planted behind our property (we immediately border the proposed development on the west) are of sufficient density (both height and spacing of trees) to provide material privacy to our backyard and home. We also understand that any front-property balconies on the R-1 designated properties will have standing height privacy glass on the west side.
