RE: DEVELOPMENT OF A NEW LONG-TERM FEDERAL PLAN TO FIX
CANADA'S HOUSING CRUNCH

COUNCILLOR PINCOTT

WHEREAS, a stable and secure housing system that allows for a range of choice is essential to attracting new workers, meeting the needs of young families and supporting seniors and our most vulnerable citizens;

AND WHEREAS the high cost of housing is the most urgent financial issue facing Canadians with one in four people paying more than they can afford for housing;

AND WHEREAS housing costs and household debt are undermining Canadians' personal financial security, while putting our national economy at risk;

AND WHEREAS the short supply of rental units is driving up rental costs and making it hard to house workers in regions experiencing strong economic activity;

AND WHEREAS an inadequate supply of subsidized housing is pushing some of the most vulnerable Canadians on to the street, while \$1.7 billion annually in federal investments in social housing have begun to expire;

AND WHEREAS coordinated action is required to align the steps local governments have already taken with regard to federal/provincial/territorial programs and policies;

AND WHEREAS, the Federation of Canadian Municipalities (FCM) has launched a housing campaign, "Fixing Canada's Housing Crunch," calling on the federal government to increase housing options for Canadians and to work with all orders of government to develop a long-term plan for Canada's housing future;

NOW THEREFORE BE IT RESOLVED that Council endorse the FCM housing campaign and urge the Minister of Employment and Social Development to develop a long-term plan for housing that puts core investments on solid ground, increases predictability, protects Canadians from the planned expiry of \$1.7 billion in social housing agreements and ensures a healthy stock of affordable rental housing for Canadians;

AND FURTHER BE IT RESOLVED that a copy of this resolution be sent to the minister noted above, to Ken Hughes Minister of Municipal Affairs, to the Federation of Canadian Municipalities and to the AUMA.
