Community Outreach for Planning & Development Applicant-led Outreach Summary

What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

Feedback received was generally positive.

One email received was in supportive of the project. The owner stated that a denser development along the major roadway and close to the commercial properties would benefit the community.

Two emails received were inquiries about the proposal and the potential development with the land use change. No further comments received.

How did stakeholder input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

With the feedbacks received, we viewed this proposal as an opportunity to improve the urban design and overall qualities of the frontage along 17th Avenue SW.

We will look to incorporate additional comments at the future development permit stage.

How did you close the loop with stakeholders?

Provide a summary of how you shared outreach outcomes and final project decisions with the stakeholders that participated in your outreach. (Please include any reports or supplementary materials as attachments)

The stakeholders have not been provided with any new information since no changes were suggested. However, we are committed to keep the major stakeholders informed throughout the process and regarding the final design.
