PURPOSE

PREVIOUS COUNCIL DIRECTION

RECOMMENDATION:

That Executive Committee recommends that Council receive this report and presentation for the corporate record.

CITY MANAGER/GENERAL MANAGER COMMENTS

The City Manager concurs with the recommendation in this report.

HIGHLIGHTS

- The City of Calgary is a large, complex organization, and it is important citizens and members of Council have line of sight into the work underway to advance Council's priorities from the City Manager. This report increases transparency into the work directed by Council to Administration and provides a single source for sharing back motions and Notices of Motion, and outstanding Administrative Inquiries.
- Council previously noted an interest in seeing more operating metrics for the organization through these reports. The City Manager has chosen select metrics related to customer service and value for service for this edition of the quarterly report, which can be found in the presentation (Attachment 8). Additional operating metrics will be determined and brought forward in future editions of the quarterly report.
- Additionally, this report contains useful information in multiple attachments:
 - Better Every Day (Attachment 2), a tool to share a selection of stories from the previous quarter with Council and members of the public. These stories help showcase the impact City service delivery has on the lives of Calgarians from the perspectives of Calgarians. The theme for this edition is sport.
 - A summary of City Administration and Calgary Police Service headcount and budgeted FTEs as of 2023 June 30 (Attachment 3).
 - A list of upcoming reports to Council and committees from July to December 2023 (Attachment 4).
 - A list of Council motions from April to July 2023 (Attachment 5).
 - A list of Notices of Motion January to July 2023 (Attachment 6).
