

IT'S TIME TO GROW **TENNIS** IN CALGARY

OPTIONS: The Calgary Indoor Tennis Centre will give Calgarians a year-round location to play one of Canada's fastest growing sports.

DEMAND: For a city the size of Calgary, the lack of public indoor tennis facilities restrains the growth of the sport. The Calgary Indoor Tennis Centre will provide a location for the youth in Calgary to participate in the wonderful world of tennis with professional guidance year-round.

FUNDING: Donations of over two-million dollars have been committed to date, before government funding. That's one quarter of the objective needed to make this dream a reality.

Donate now to be part of the **growth in tennis about to take place in Calgary!**
