**Attn: Desmond Bliet**

Dear Mr. Bliet:

**RE: Growth Application Fee Structure Adjustment**

Thank you very much for working with us on adjustments to the Growth Application Fee Structure following Council's direction on July 25.

The revised proposed Fee Structure of a Base Fee + Area Fee is much more equitable and fairer for smaller landowners with less than 16 hectares of ownership.

It adequately addresses the points raised in Situated's June 5 letter to IPC.

We thank Calgary City Council and Administration for reconsideration of this matter.

Sincerely

SITUATED 

Situated Consulting
