**Subject:** [External] Re: LOC2023-0155 - 3903 and 3907 - 16 ST SW

Hello Jarred,

Thank you so much for including me in this email we at the MLCA do not have anything particular to say about this project as it's a smaller scale project except that it is addressing the need for more mid scale units and the interior courtyard is a very welcome addition to this type of build.

Kindly,

Kim Kemper

Director - Planning + Development MLCA
