

Community Association Response

2023 August 17

Hi Carolina,

I hope you are doing well. We are grateful for your patience and understanding and for granting us the extension to submit our comments. I appreciate your flexibility.

I am happy to inform you that the committee members were pleased to observe the transition in land use designation from R-CG to R-C2. Additionally, after delivering notifications to the neighbouring residents, it was evident that the majority were content with removing the old bungalow. The meeting yielded no further comments or concerns from those in attendance.

Please do not hesitate to contact me with any questions or more information.

Best regards,

Idalia Galindo
