Please complete this form and include with your application submission.

Project name: 102 Bridleridge Way SW, basement suite

Did you conduct community outreach on your application? YES or NO

If no, please provide your rationale for why you did not conduct outreach.

I did not conduct outreach as I was not sure what exactly I needed to do here. My next door neighbors are both aware of my basement suite. We are in good standing with both next door neighbors. I am not changing any structural of the house therefore really nothing changes other than that I will provide much needed safe and up to code affordable rent in the community.
