<b>Commissioner Hawryluk</b>	<p>Reasons for Approval</p> <ul style="list-style-type: none"><li>• This Land Use Amendment allows a private school to expand from the church next door to reuse a 1982 house as classroom space. To retain the use of Dwelling Unit, the Direct Control District is based on the current R-C2 Land Use District instead of the church's District of Special Purpose – Community Institution (S-CI). This Direct Control District also avoids any concerns about “recreation, social or cultural activities” that are associated with the Social Organization Use, which is discretionary under the S-CI Land Use District.</li></ul>
