Community Outreach for Planning & Development Applicant-led Outreach Summary

What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

We received 4 messages from the public, most of which simply requested more information. The main issues inquired about were:

- Density & Overcrowding
- Design, Development, & Construction

We met with some members of the community association planning board on June 5, 2023 and gained support from them

How did stakeholder input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

As of yet, no issues have been raised that have led to an alteration in our application or project decisions.

How did you close the loop with stakeholders?

Provide a summary of how you shared outreach outcomes and final project decisions with the stakeholders that participated in your outreach. (Please include any reports or supplementary materials as attachments)

Each person that reached out with questions was met with transparency and honesty. We also offered to reach out again with an invitation if we were able to join a public meeting with the community association.
