Commissioner Hawryluk	<p>Reasons for Approval</p> <ul style="list-style-type: none">This Land Use Amendment would allow a Child Care Service in a logical location: across the street (less than 500m) from an elementary school, a junior high school, and an elementary and junior high school. Administration correctly notes, "The parcel and proposed DC District Control aligns with all of the applicable site selection criteria" (Attachment 1, page 6). The Community Association rightfully points out some individuals' "fear of the unknown and change in the community" but supports the application because of "the dire need for Childcare ... close to home for Westgate families" (Attachment 5, pages 1-2).
