<b>Commissioner Tiedemann</b>	<p>Reasons for Approval</p> <ul style="list-style-type: none"><li>• Application to redesignate from C-COR3f1.0h12 and I-G to I-Bf2.0h27. This is the same designation as the adjacent parcel immediately to the north and will add additional industrial uses while slightly growing our industrial land base. This application will help to facilitate the expansion of an existing business. Happy to support industrial growth in an existing area within the City.</li></ul>
