Community Outreach for Planning & Development Applicant-led Outreach Summary

What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

The CA president indicated he had no concerns with the project and was happy to see additional development in the area. His focus was on seeing continued economic growth in the area and added amenities for the residents. He also talked about a community garden initiative the CA was working on and we indicated that we would look into providing support with their application and execution of the project.

How did stakeholder input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

There was no direct input that influenced this application.		

How did you close the loop with stakeholders?

Provide a summary of how you shared outreach outcomes and final project decisions with the stakeholders that participated in your outreach. (Please include any reports or supplementary materials as attachments)

We committed to following up with the CA once we had completed a formal application.
