Boards, Commissions and Committees Update (Response to Motion Arising on C2023-0531)

PURPOSE OF BRIEFING

This Briefing is in response to the Motion Arising on C2023-0531.

SUPPORTING INFORMATION

At its 2023 June 14 Regular Meeting, Council adopted the following Motion Arising:

“That Council direct Administration to report back through a briefing to Executive Committee for 2023 October 11 on how the ideas and concerns of Boards, Commissions and Committees will be addressed, including but not limited to:

1. Advisory Committee on Accessibility and the Access Design Subcommittee: identified issues in their 2022 report that include the need for administrative support with knowledge-specialists versus generalists, inclusive meeting accommodations, and improvements in planning towards the understanding of Access Design Standards; and
2. Budgets for committees to execute on community-led initiatives to be considered as part of the mid-cycle budget adjustments.”

The responses from Administration are contained in Attachments 1 and 2.
