Hello Asia,
Apologies for missing the deadline, but thank you for reaching out.
Generally the CA Planning committee does not have any objection to this application.
However, while this specific location is not within our the approved heritage district, 8th Avenue is the gateway to Regal Terrace which is a heritage community.
We would encourage the developer to take this into consideration while creating a building that suites their needs and still reflects the historical aspect of the community
Thank you

Hello there Wade,

Hope all is well. I wanted to touch base about LOC2023-0143 – land use amendment application at 602 8 AV NE in Renfrew, from R-C2 to H-GO. The deadline for submission of comments is today – I wondered if you had any comments for our consideration?

Please let me know at your convenience.

Thanks,

Asia
