Commissioner Hawryluk	<p>Reasons for Approval</p> <ul style="list-style-type: none">Administration is correct that this application is consistent with the H-GO Land Use District's location criteria. "Section 1386 (d) of the Land Use Bylaw (1P2007) provides criteria where the H-GO District is appropriate in the Inner City area. This application meets a number of the selection criteria as it is located approximately 220 metres (four-minute walk) from the University LRT Station (criteria states within 600 metres of an existing LRT platform) and is directly opposite the Major Activity Centre of the University campus (criteria states within 200 metres of an Activity Centre)" (Attachment 1, page 4).
