Commissioner Hawryluk	<p>Reasons for Approval</p> <ul style="list-style-type: none">• This application for a Child Care Service meets five of six criteria in the Child Care Service Policy and Development Guidelines (see Attachment 1, pages 5-6). The only site selection point that is not met is being on a corner parcel, though “non-corner parcels may be appropriate where the child care service is ... on a parcel located on the same block as other community services” (Child Care Service Policy and Development Guidelines, B6 and B7). The subject site is 30m from a neighbourhood park and playground that has the Land Use District of Special Purpose — Community Service (S-CS), is on the same block, and on the corner. As such, this parcel is appropriate.
