Developing a New Civic Partnership Program (EC2022-1378)

- Establish a Civic Partner Operating Grant Program that aligns with current & future Council directions.
- Return to Council for approval of the program's terms of reference & funding framework.
- Use the approved terms of reference & framework to adjust the allocation of grant funding from 2024 to 2026.
- Report back annually to Council through existing accountability reports & Civic Partner annual reports

Recommendations

That the Community Development Committee recommend that Council:

1. Approve the Terms of Reference for a new Civic Partner Operating Grant Program, and
2. Direct Administration to develop and implement the Civic Partner Operating Grant Program, returning to Council through the 2024 November Adjustments to the Service Plans and Budgets process with recommended adjustments to Civic Partner funding for the remainder of the cycle.

Highlights

The Civic Partner Operating Grant Program provides a structured, transparent & consistent approach for operating grant funding recommendations for Civic Partners.

Terms of Reference are based on research into leading practices & engagement with Civic Partners, members of Council & Administration.

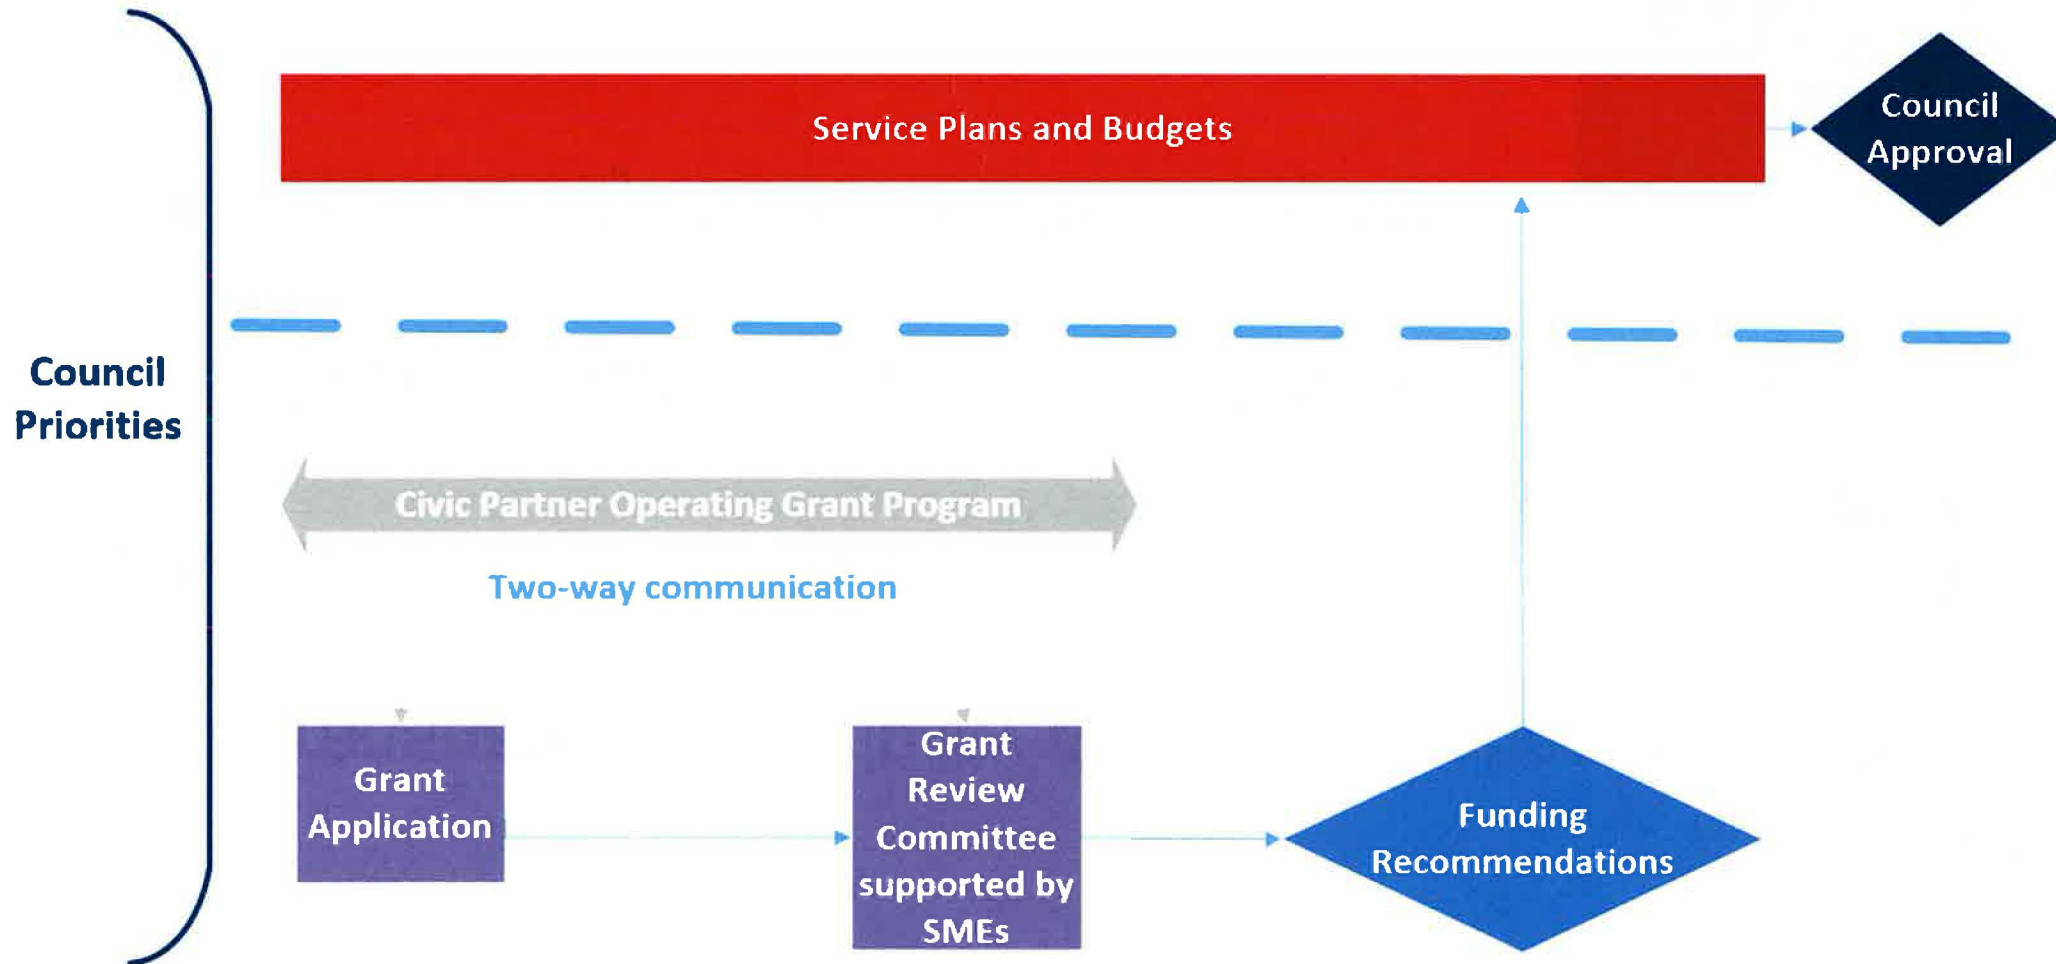

What we heard: The current process

- Lack of transparency, flexibility & feedback channels.
- Creates a sense of competition.
- Does not reflect complexity of Civic Partner operations.
- Limited opportunity to communicate impact.

Civic Partner Operating Grant Program

Program benefits

- Addresses challenges & concerns.
- Incorporates leading practices for grantmaking.
- Supports transparency and 2-way communication.
- Supports alignment with Council priorities.
- Effective use of organizational capacity.
