Comments - please refrain from providing personal information in this field (maximum 2500 characters)	I received the Notice of Public Hearing Notice re: Plan 2311546, Area 'A'. Map illustration would be more helpful if it has legend on the zoning codes and what they actually mean. For R-G , do they mean townhouses or condo buildings? On the south perimeter, where there is a pedestrian/bike trail and single-detached residential properties across would that be fenced up for privacy of the existing neighborhood? Where would the direction of the surface drainage - would that be towards the north otherwise it might flood the houses in the south ? Thanks
