Commissioner Tiedemann	<p>Reasons for Approval</p> <ul style="list-style-type: none">• This site is located directly along 26th Ave SW and is in close proximity to 3 transit stops. This site is also located in proximity to a number of other sites with a variety of multifamily use designations (M-CG, M-C1 and M-C2). This application, along with several similar applications we have seen recently, will go a long way in supporting the 50/50 growth targets outlined in the MDP. Based on sound planning principles, I recommend that council support this application.
