<b>Commissioner Hawryluk</b>	<p>Reasons for Approval</p> <ul style="list-style-type: none"><li>Initially, this Direct Control District would make Child Care Service a discretionary use in a location that meets all of the criteria for Child Care Services (Attachment 1, pages 5-6).</li></ul> <p>The Commission interpreted the statement that “residents would not only not support this use and development, but would actively oppose it” (Attachment 5, page 1) as intent to appeal a future development permit application at this location. To support families in need of child care, the Commission voted (6-1) to make Child Care Services a permitted use in this Direct Control District.</p>
