BACKGROUND

In response to Council's direction, the executive search firm AltoPartners was retained through a competitive procurement process to conduct a recruitment exercise to identify potential candidates for the Selection Committee's consideration.

The Selection Committee elected Councillor Carra as Chair of the Committee and Councillor Woolley as the Vice Chair. The Committee has also received an update from AltoPartners about the recruitment process that it had carried out.

The Selection Committee received briefings from AltoPartners respecting the potential candidates that had been identified through the executive search process and then determined which of those individuals it wished to interview.

The Selection Committee established a working group to conduct interviews with the candidates and the interviews have been held.

INVESTIGATION: ALTERNATIVES AND ANALYSIS

On 2016 May 9, the working group reports back as the Selection Committee at which point the Selection Committee will establish its recommendations.

Attachment 2 contains information respecting the candidates who were chosen by the Selection Committee for interviews.

More information about the recruitment process conducted by AltoPartners is contained in confidential report SCS2016-0361.

Amendment of the SDAB Bylaw, Bylaw 25P95, as amended, is desired so that Council may appoint members for a period that does not coincide with January 1st of each year, which may be necessary to implement the Selection Committee's recommendations.

Stakeholder Engagement, Research and Communication

AltoPartners arranged print and online advertising to ensure the transparency of the recruitment process.

AltoPartners also reached out to organizations and candidates from the following sectors:

- Legal Community – real estate, development and planning experience
- Urban Planners and Development Consultants
- Architects
- Developers and Builders
- Academic
- Industry and Trade Associations
- Quasi-Judicial Boards

In all, AltoPartners reached out to over 366 potential candidates and sources.

All members of the SDAB were invited to provide input to AltoPartners about the recruitment and its process. At the further direction of the Priorities and Finance Committee at its meeting on 2016 April 5, AltoPartners reached out to each of the SDAB Board Members individually, encouraging them to engage in the consultation process. As a result, 22 of the Board's 24 members have provided their input into the process.

Risk Assessment

The Board must have capable and competent leadership to execute its statutory mandate. Although the duties of the Chair position can be carried out by the Vice Chairs of the Board, the smooth and proper functioning of the SDAB and its administration relies on the experience, capability and subject matter expertise provided by an appropriately qualified Chair.

REASON(S) FOR RECOMMENDATION(S):

Council must complete its annual appointment of a Chair for the Subdivision and Development Appeal Board by appointing a Chair for the period of 2016 July 1 to 2016 December 31. The Selection Committee's reasons for ranking and recommendation of interviewed candidates may be provided to Council in camera at the 2016 May 16 meeting of Council.
