Commissioner Hawryluk	<p>Reasons for Approval</p> <ul style="list-style-type: none">• This application would allow 1.9 hectares of a 9.38-hectare parcel to be redesignated from Special Purpose – Recreation to Special Purpose – Urban Nature and become Environmental Reserve. The area that remains Special Purpose – Recreation will be used as an athletic park. This application was sufficiently straightforward that the Planning Commission put it on our consent agenda.
