Re: Proposed Street Name for Community D/Keystone Hills ASP – Partners Group

On behalf of Partners Group, B&A submits this Street Name Application for consideration for their land holdings in Community D of the Keystone Hills ASP. The Community/Street Names were approved as Keystone Hills in 2019 and we are seeking **an additional street name that aligns with this approval**, which is based off the natural features on the land.

This name meets the Municipal Naming, Sponsorship and Naming Rights Policy and the approved Community Name.

The street name requested is:
- Keystone Creek

Given that there were no significant concerns received after circulation of Keystone Hills in 2019, we feel confident this should be an acceptable name. Should you have any further questions, please feel free to contact me by phone at 403-692-4532 or email at koberg@bastudios.ca.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kathy Oberg', written over a white background.

Kathy Oberg
